BENEFIT & BAGS TOURNAMENT

Brent's-Giving

Dozens of area residents attended the Brent's-Giving benefit and bags tournament outside of Irish Times in Brookfield on Sept. 27.

The event supported Brent's-Giving, a non-profit organization named in honor of Brent LeMoine, who died of Burkitt's lymphoma, an aggressive form of non-Hodgkin's lymphoma, when he was just 26.

Proceeds were directed to Blood Cancer United (formerly the Leukemia & Lymphoma Society).
